Subject: April 2012 Monthly Activity Log

I am sending you the updated April 2012 Monthly Activity Log. FYI I have included the PT-QC TDFs for TO#0041 in a different spot (under the TO#041 activity) rather than the Assigned ESAT DAS requests but have included the sample counts in the Issued TDFs for Analytical Support. There are actually 6 TDFs and 26 samples for April but in different places on the log.

Let me know if you need any other information.

Sincerely,

Judy Battee
